2 WORK (1+ YEARS OF EXPERIENCE)

February 2022 - Present

Hexagon CCI hired me to work on a **MVVM** based **.Net** Project Where I am responsible for maintaining and writing new **Group View Models**. Was Given a **POB Award by Hexagon.**

C# is my daily driver, this is the language I use to **code**, write **unit and end to end tests** at my job.

C++ is something I have to be proficient in as of our middle layer is written in **COM**.

July 2021 - February 2022

I did an **Internship** at **Malvik Group Of Companies** while pursuing my engineering, after which I joined the company as as a **Software Developer**. I quit the company to pursue **Freelance Front End Development** before moving on and joining **Hexagon** in february.
